EASYBED BOXBED 90

INVISIBLE, COMFORTABLE, ALWAYS AT HAND

We usually hide our beds one the wall.

We decided to go further and create a comfortable full size bed hidden in the ... dresser.

The compact solution will please the owners of really small rooms, also in the attic, where it is difficult to find space even for a classic wall bed.

It is also ideal for studios and home offices.

Available in size 90 x 200 cm.

SWING FOLD-OUT TABLE

OPEN IT WHEN YOU NEED IT

The dinner table is usually hidden „in itself”.

We hid our table on the wall.

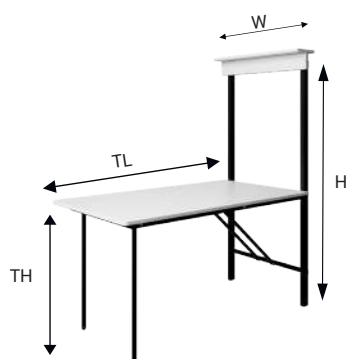

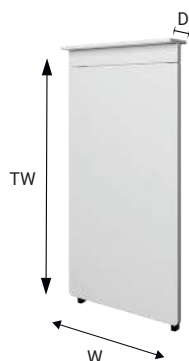

Thanks to this it can simply disappear from the room when it is not necessary and you can enjoy the free space and use it for a yoga session, a place to dance or any other activity.

The light, stable structure of the furniture makes changing the arrangement of the room simple and effortless.

Small open-space salons will especially like it.

LIFT COFFEE-DINNER TABLE

A 4-IN-1 FOLDING TABLE TO BE EXACT. WHY SO MUCH?

This compact neat piece of furniture conceals a table of 4 sizes.

You need a table for a dinner for two? You just raise the table top.

Dinner for 4? You open the table 1 time.

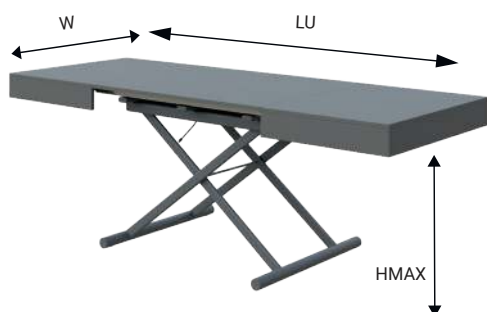

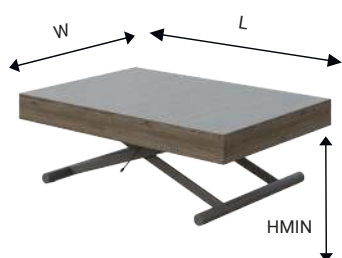

For 6? You lengthen the table one more time.

For 8? And once more. ...

The perfect solution for a small living room where the table also appears from time to time.

- murphy beds opened horizontally
- wall beds with a desk
- bunk bed folded on the wall
- multifunctional modular furniture

We create a modern smart solution for small private and business spaces.

A large, modern shelving unit with multiple levels, featuring a combination of light wood and dark metal frames. The shelves are filled with books, decorative objects, and plants, creating a stylish and functional display. The unit is composed of several vertical black metal poles connected by horizontal wooden shelves. The shelves are arranged in a staggered fashion, with some sections being higher than others. The wooden panels have a light, natural wood grain. The shelves are filled with various items: books, vases with flowers, a clock, a small plant, and other decorative objects. The overall aesthetic is clean and contemporary.

Design your own construction
and apply it to any room.
